English Proficiency — Arini Kusumawati

Name: Arini Kusumawati | **Position:** Data Engineer

Overall CEFR Level: B2 — Upper Intermediate — dapat berkomunikasi dengan lancar tentang topik familiar

English Proficiency Assessment Report

Name: Arini Kusumawati

Role: Data Engineer

Overall CEFR Level: B2 — Upper Intermediate

Sub-scores

- **Reading:** B2
- **Writing:** B2
- **Listening:** B2
- **Speaking:** B2

Skill Descriptors

- **Reading:**

Arini demonstrates a strong ability to understand and interpret complex texts related to her field, including technical documentation and reports. She can extract relevant information and comprehend nuanced opinions, which indicates a solid grasp of vocabulary and structure at the B2 level.

- **Writing:**

Arini's writing skills are well-developed, allowing her to produce clear and detailed texts on familiar topics, particularly in her area of expertise as a Data Engineer. She is able to organize her ideas logically and use appropriate technical terminology, although there may be occasional errors in grammar and style that do not impede overall comprehension.

- **Listening:**

Arini shows competence in understanding spoken language in various contexts, including technical discussions and presentations. She is capable of following complex arguments and extracting key points, although she might need to ask for clarification on advanced topics or when speakers use idiomatic expressions.

- **Speaking:**

Arini can communicate effectively and fluently in discussions about familiar subjects. She articulates her thoughts clearly and can engage in conversations with confidence, though she may occasionally hesitate or search for words in more complex discussions.

Overall Recommendation

Arini Kusumawati is assessed at a B2 level of English proficiency, demonstrating the ability to communicate effectively in both professional and everyday contexts. Given her role as a Data Engineer, it is recommended that she continue to refine her language skills,
