Overall CEFR Level: B2 — Upper Intermediate — dapat berkomunikasi dengan lancar tentang topik familiar

English Proficiency Assessment Report

****Name:**** Gita Rahayu Wibowo

****Role:**** Treasury Analyst

****Overall CEFR Level:**** B2 — Upper Intermediate — can communicate fluently on familiar topics

Sub-scores

- ****Reading:**** B2

Gita demonstrates the ability to read and understand complex texts related to her field, including financial reports and articles. She can grasp the main ideas and specific details, making her capable of extracting relevant information efficiently.

- ****Writing:**** B1/B2

Gita shows a strong ability to write clear and detailed texts on topics relevant to her work. While she can communicate her ideas effectively, there are occasional grammatical errors and inconsistencies in style that slightly hinder the overall clarity.

- ****Listening:**** B2

Gita's listening skills are well-developed, allowing her to comprehend discussions and presentations in English, especially those related to finance and treasury management. She can follow complex arguments and respond appropriately.

- ****Speaking:**** B1/B2

Gita can engage in conversations and express her ideas coherently on familiar topics. However, her fluency may occasionally be interrupted by hesitations and the need to find the right vocabulary. With practice, her speaking skills can reach a solid B2 level.

Overall Recommendation

Gita Rahayu Wibowo is assessed at a B2 level overall, indicating she has a strong command of English that allows her to interact effectively in her role as a Treasury Analyst. To further enhance her proficiency, especially in writing and speaking, it is recommended that she engages in more practice through professional writing tasks and conversational exchanges. Additionally, attending workshops focused on business communication could help refine her skills and boost her confidence in using
