Technical Assessment — Gita Rahayu Wibowo

Nama: Gita Rahayu Wibowo | Jabatan: Treasury Analyst

Skor Total: 74/100

Technical Assessment Report

Candidate Name: Gita Rahayu Wibowo

Role: Treasury Analyst

Score: 74/100

Key Skills Tested: Cash Flow Management, FX Hedging, Bloomberg

Score Breakdown

| Category | Score (out of 100) |

|-----|-----|

| Cash Flow Management | 80 |

| FX Hedging | 70 |

| Bloomberg Proficiency | 65 |

Strengths Observed

- **Solid Cash Flow Management Skills:** Gita demonstrated a strong understanding of cash flow forecasting and liquidity management, reflecting her ability to analyze and predict cash movements effectively.
- **Good Analytical Skills in FX Hedging:** She showed a foundational grasp of FX hedging strategies and their applications, indicating her capacity to mitigate currency risk.
- **Proficient Use of Bloomberg:** Gita displayed competent skills in navigating Bloomberg terminals, allowing her to retrieve and analyze financial data relevant to treasury operations.

Areas for Improvement

- **Enhanced FX Hedging Knowledge:** While Gita has a basic understanding of FX hedging, further training and experience in advanced hedging techniques could improve her effectiveness in managing currency risk.
- **Bloomberg Advanced Features:** Developing familiarity with more advanced functionalities of Bloomberg could enhance her data analysis capabilities, allowing for deeper insights into market trends.

Overall Recommendation

Gita Rahayu Wibowo has a solid foundation for the role of Treasury Analyst, evidenced by her strong cash flow management skills and foundational knowledge in FX hedging. With targeted improvements in her FX hedging strategies and advanced Bloomberg functionalities, she has the potential to contribute significantly to the treasury team. It is recommended that she undergo further training in these areas to maximize her effectiveness in the role.
