Technical Assessment — Lukman Hakim Pratama

Nama: Lukman Hakim Pratama | Jabatan: Learning & Development Coordinator

Skor Total: 68/100

Technical Assessment Report

Candidate Name: Lukman Hakim Pratama

Role: Learning & Development Coordinator

Score: 68/100

Key Skills Tested: Instructional Design, LMS, Facilitating

Score Breakdown

| Category | Score (out of 100) |

|-----|-----|

| Instructional Design | 75 |

| Learning Management System (LMS) | 65 |

| Facilitating | 60 |

| Overall Performance | 68 |

Strengths Observed

- **Strong Instructional Design Skills:** Lukman demonstrated a solid understanding of instructional design principles, showcasing the ability to create effective learning materials tailored to diverse audiences.
- **Familiarity with LMS:** He displayed a good level of familiarity with Learning Management Systems, showing competence in navigating and using LMS tools for course management and delivery.
- **Engagement Techniques:** Lukman employed various engagement techniques during facilitation, indicating an awareness of how to keep learners motivated and involved.

Areas for Improvement

- **Facilitation Skills:** While Lukman has a foundational understanding of facilitation, there is room for improvement in managing group dynamics and encouraging participation from all learners.
- **LMS Utilization:** Greater proficiency in the advanced features of LMS platforms would enhance his ability to leverage technology for improved training delivery and tracking.

Overall Recommendation

Lukman Hakim Pratama shows potential as a Learning & Development Coordinator, especially in instructional design. With targeted development in his facilitation skills and deeper engagement with LMS features, he could significantly enhance his effectiveness in this role. It is recommended that he undergo further training in facilitation techniques and LMS functionalities to elevate his overall performance.
