English Proficiency Assessment Report

Name: Mega Wulandari Agung

Role: Brand Manager

Overall CEFR Level: C1 — Advanced — can use the language flexibly and effectively.

Sub-scores

- **Reading:** C1

Mega demonstrates a strong ability to understand complex texts, including specialized articles and reports related to branding and marketing. She can analyze and interpret nuances in meaning, making her proficient in extracting relevant information for decision-making.

- **Writing:** C1

Mega's writing is clear, well-structured, and sophisticated. She can produce detailed reports and proposals with a high level of coherence and cohesion. Her ability to adapt her writing style to suit different audiences is commendable, particularly in crafting persuasive marketing content.

- **Listening:** B2+

While Mega is generally proficient in understanding spoken language, especially in professional contexts, she occasionally requires clarification on nuanced or rapid speech. Nevertheless, she can follow complex discussions and grasp implied meanings, which enhances her communication in team meetings and client interactions.

- **Speaking:** C1

Mega exhibits excellent speaking skills, characterized by fluency and spontaneity. She effectively articulates her thoughts during discussions and presentations, using a wide range of vocabulary and idiomatic expressions. Her ability to engage in nuanced conversations about branding strategies is particularly noteworthy.

Overall Recommendation

Based on Mega Wulandari Agung's proficiency assessment, she is classified as C1 level in reading, writing, and speaking, with a slight variation in listening (B2+). It is recommended that Mega continues to engage in diverse listening experiences, such as podcasts or professional seminars, to further enhance her comprehension skills. Overall, her advanced command of English positions her well
