Name: Oktavia Dewi Anggraini | Position: Market Research Analyst

Overall CEFR Level: C1 — Advanced — dapat menggunakan bahasa secara fleksibel dan efektif

English Proficiency Assessment Report

Name: Oktavia Dewi Anggraini

Role: Market Research Analyst

Overall CEFR Level: C1 — Advanced

Sub-scores

- **Reading: C1**

- Oktavia demonstrates excellent reading comprehension skills. She can understand a wide range of demanding texts, including complex reports and market analysis documents. She is able to discern subtle distinctions in meaning and can summarize detailed information effectively.

- **Writing: B2/C1**

- Oktavia exhibits strong writing abilities, particularly in crafting reports and analytical pieces relevant to her role. While her writing is generally clear and well-structured, there are occasional lapses in the complexity of sentence structures. With some refinement, she can reach a consistent C1 level.

- **Listening: C1**

- Oktavia shows advanced listening skills, allowing her to comprehend a variety of spoken material, including presentations and discussions on market trends. She is adept at picking up on nuances and can follow complex arguments with ease.

- **Speaking: B2/C1**

- Oktavia communicates effectively in spoken English, particularly in professional settings. She can engage in discussions about market research and present her ideas clearly. However, there are moments where her fluency and spontaneity could be enhanced to reach a consistent C1 level.

Skill Descriptors

- **Reading:** Ability to understand and interpret complex texts, including industry-related articles and academic papers, with a high degree of accuracy.

- **Writing:** Capable of producing detailed reports and analyses relevant to market research, though occasional refinement of sentence complexity is needed for consistency at the C1 level.

- **Listening:** Proficient in understanding a wide range of spoken
