Name: Pratama Setiawan Hadi | **Position:** Supply Chain Coordinator

Overall CEFR Level: B1 — Intermediate — dapat berkomunikasi dalam situasi umum

English Proficiency Assessment Report

****Name:**** Pratama Setiawan Hadi

****Role:**** Supply Chain Coordinator

****Overall CEFR Level:**** B1 — Intermediate — able to communicate in general situations

Sub-Scores

- ****Reading:**** B1

Pratama demonstrates the ability to understand texts that consist mainly of high-frequency everyday or job-related language. He can identify the main points in straightforward, clear texts on familiar subjects encountered in work and leisure.

- ****Writing:**** B1

Pratama is capable of writing simple connected text on topics that are familiar or of personal interest. He can write personal letters describing experiences and impressions, although he may still make occasional errors in grammar and vocabulary.

- ****Listening:**** B1

Pratama can understand the main points of clear standard speech on familiar matters regularly encountered at work, school, leisure, etc. He may struggle with more complex discussions or technical vocabulary but can follow the gist of conversations in familiar contexts.

- ****Speaking:**** B1

Pratama is able to produce simple connected speech on topics that are familiar or of personal interest. He can handle short social exchanges but may find it challenging to maintain a conversation or elaborate on ideas without preparation.

Overall Recommendation

Pratama Setiawan Hadi is assessed at an overall B1 level of English proficiency, indicating that he is competent in communicating in everyday situations. To further enhance his language skills, particularly in a professional context such as supply chain coordination, it is recommended that he engage in targeted practice focusing on vocabulary expansion, listening comprehension in business settings, and more complex writing tasks. Participating in English conversation groups or workshops could also be beneficial in increasing his confidence and fluency.
