Skor Total: 78/100

Technical Assessment Report

Candidate Information

- **Name:** Siti Nurhaliza Rahmat
- **Role:** Legal Counsel
- **Score:** 78/100

Score Breakdown

| Category | Score (out of 100) |

|-----|-----|

| Hukum Perdata | 80 |

| Contract Drafting | 75 |

| Regulatory Compliance | 78 |

| Overall Performance | 78 |

Strengths Observed

- Demonstrated a strong understanding of civil law (Hukum Perdata), showcasing the ability to apply legal principles effectively in various scenarios.
- Proficient in contract drafting, with a clear ability to articulate terms and conditions that mitigate risks for clients.
- Good knowledge of regulatory compliance, indicating an awareness of relevant laws and regulations that impact the organization.

Areas for Improvement

- Enhance negotiation skills to better advocate for client interests during contract discussions and amendments.
- Increase familiarity with emerging regulations and compliance requirements to ensure proactive legal advice and risk management.

Overall Recommendation

Siti Nurhaliza Rahmat has shown commendable competence in key areas relevant to the role of Legal Counsel. Her score of 78/100 indicates a solid foundation in civil law, contract drafting, and regulatory compliance. With targeted improvements in negotiation skills and regulatory knowledge, she has the potential to excel further in her legal career. It is recommended to consider her for the position, while providing opportunities for professional development in the identified areas for improvement.
